COOKIES POLICY

Cookies

Cookies are small text files stored by your web browser when you use websites. You can control how websites use cookies by configuring your browser's privacy settings. Refer to your browser's help function to learn more about cookie controls.

Please note that if you disable cookies entirely, **360hometours.ca Inc.** websites may not function properly.

360hometours.ca Inc. and companies that help us run our business use cookies in several ways, such as:

- Authenticating and identifying you on our websites so we can provide you the services you requested.
- Keeping track of information you have provided to us — for example, keeping items in your order form as you browse **360hometours.ca**.
- Providing you the **360hometours.ca Inc.** websites that you use.
- Remembering your preferences, or where you left off in your use of a particular **360hometours.ca Inc.** website.
- Measuring your use of **360hometours.ca Inc.** websites so that we can improve them, tailor our websites to your likely interests, and conduct market research.

Technologies similar to cookies

Technically speaking, cookies are called “HTTP cookies.” There are other technologies used for similar purposes, such as HTML5 Local Storage and local shared objects (LSOs). LSOs are used by the authors of files that are read by **360hometours.ca Inc.**

We may use HTML5 Local Storage, LSOs, and similar technologies for authenticating you, keeping track of information you have provided to us, and remembering your preferences. See bullet points above.

When you are using a **360hometours.ca Inc.** application offline, we may store information related to how you used that website on your device and then transfer it to our servers the next time you connect online to our service.

Web beacons and embedded scripts

Web beacons and embedded scripts are other technologies that we use in our websites, as well as in some of our emails.

Web beacons (or “tags”) are bits of programming code included in web pages, emails, and ads that notify **360hometours.ca Inc.** (or the companies that help us run our business) when those web pages and emails have been viewed or clicked on.

Embedded scripts are programming code included within some of our web pages measuring how you use those web pages, such as which links you click.

- We use this information to improve our websites, tailor our websites to your likely interests, and conduct market research.
- You may be able to turn off scripting functionality, such as JavaScript, within your browser. Refer to your browser's help function.
- Please note that if you disable scripting functionality, some **360hometours.ca Inc.** websites may not function properly.
